

A photograph of a young couple in a grassy field. The woman, with long blonde hair, is leaning over the man, who has his arm around her neck. They are both smiling. The background is a soft-focus view of trees and a field.

# The Booking Process

Simple, seamless, and full of excitement — just the way it should be.

## **1. Get in Touch**

Send us a message with the type of shoot you're looking for, your preferred date, and any ideas you already have. We'll reply with available dates and the package info.

## **2. Choose Your Package**

Once you've decided which package fits your needs best, we'll confirm the details and walk you through the next steps.

## **3. Secure Your Spot**

We'll send you an invoice with the balance due. A 50% booking fee secures your session, and the final balance is due 1 week before we shoot.

## **4. Session Prep**

You'll receive a short prep guide with outfit tips, what to bring, and what to expect. We'll also confirm the location and time a few days before.

## **5. Your Shoot Day**

We'll meet at the location and ease into your session — relaxed, fun, and totally guided so you never feel awkward. Just be yourselves — we'll take care of the rest.

## **6. Gallery Delivery**

You'll receive a link to your private online gallery within 2–3 weeks. From there, you can download, share, or print your images.

## *Terms & Conditions*

### **Booking & Payment**

A 50% non-refundable booking fee is required to secure your session date and time. The remaining balance is due 1 week before your session. Bookings are confirmed once we've received both your payment and signed agreement.

### **Rescheduling & Cancellations**

You may reschedule once with at least 48 hours' notice. Last-minute cancellations or no-shows forfeit the booking fee. In case of bad weather, we'll reschedule at no extra cost.

### **Image Delivery**

Edited images will be delivered within 4-5 weeks via a private online gallery. We provide a curated selection of the best images from your shoot. RAW or unedited images are not shared. The number of images depends on the package chosen.

### **Usage Rights**

Clients receive high-resolution, edited images for personal use (sharing, printing, albums). Schön Photography retains the right to use images for portfolio, website, and social media unless the client requests otherwise in writing.

### **Editing Style**

All images are delivered in our signature style: soft, natural, and timeless.

with love,

Dané & Liana
